Our weekly KRVR UPDATE E-MAIL notifies those on the e-mail list of upcoming meetings, workshops or hearings for the coming week. A new one is e-mailed out each Sunday.

- IF you wish to be put on that list, click on Add me to the KRVR Update E-mail list

For the most recent one & the archive of past issues, click on KRVR UPDATE E-MAIL. If you wonder the first time you've received a KRVR UPDATE E-MAIL, it was sent to you because of one of the following:

- We recovered your e-mail address from the sign-in for one of the KRVR Community Meetings, forums or workshops,
 - You were a presenter at one of the KRVR Community Meetings,
 - One of your friends suggested you might be interested,
 - One of your friends or associates forwarded it to you,
 - You had a conversation with one of the KRVR board members which mentioned these e-mails, or
 - You are a 'KRV Stakeholder' by having your e-mail address published in one of the local newspapers or on a website of one of KRV's organizations & businesses.
- IF, for whatever reason, you'd rather NOT receive the KRVR UPDATE E-MAIL, just hit REPLY to one and say so. We'll take you off KRVR's e-mail address book or Send a message to Richard Rowe, KRVR's Communication Coordinator eworinkrv@mchsi.com.
