The purpose of this website is to offer an INFORMATIONAL FORUM, not to advocate for any particular position. Website links have been gleaned from many on-line sources or suggested by helpful people. KRVR selected the websites listed here to provide KRV residents with a wide variety of sources of information & differing viewpoints. If we err in our listing choices, we would prefer to be inclusive rather than exclusive. If you would like to suggest a link to be added, please contact the KRVR.org Website Administrator.
